## MAHAN RASHTRA BHARATA

An interesting story about a peacock named "Chitra" and her expedition in the great land of Bharat.

## THE GREAT COUNTRY "BHARATA"

Our country's name "India" was derived later from the Greek name "Indus" after the great Indus River, which means "Sindhu" in Sanskrit. And true to its name, "Bharata" which means "being devoted to God", our ancestors, the inhabitants of our great country spent most of their time in the quest of God.

## workshops

Each of our workshops are focused on educating the kids by enhancing their general knowledge and skill set.

one of our initial workshops' concentrated on educating the curious minds about their home country and its rich history.

The story of Bharat has been condensed into an interesting story which is a fun learning experience.
